Building Construction was my study career but somehow, I worked in an International Internet Security Company (Verisign) for more than 10 years. With the company I relocated from Cape Town to Fribourg, Switzerland and now here in Dublin. I'm married with 2 daughters (Celine and Chevonne) and we've put our root down here in Dunshaughlin Co. Meath. Study TCM was always my biggest interest and dream back in South Africa but due to the lack of resource and time, I don't have chance to fulfil my dream. Finally, in 2015 I decided to follow my dream and put my focus in TCM and study in Acupuncture Foundation. Last year, I completed my training on both acupuncture and herbal studies from the college. Furthermore, I took more additional study workshops during my 3 years training.
